inch 126 x 43 1/4 x h. 29 1/8

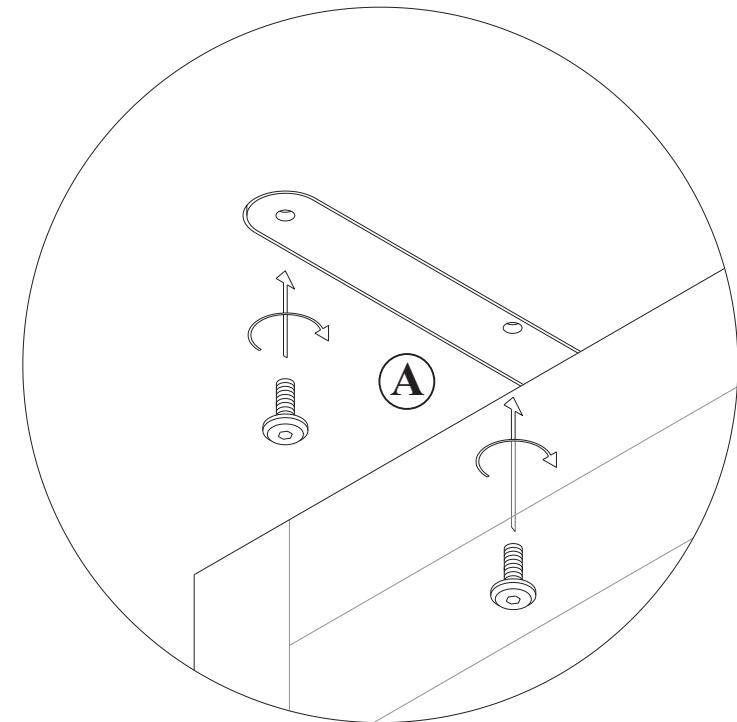

- 1** – Appoggiare il piano sulla base inserendo i traversi in metallo nelle apposite sedi
– Place the top on the base and insert the metal bars in the appropriate positions
– Die Platte auf die Basis legen und die Metalleisten einfügen
– Placer le plateau sur la base et insérer les barres en métal

(A)

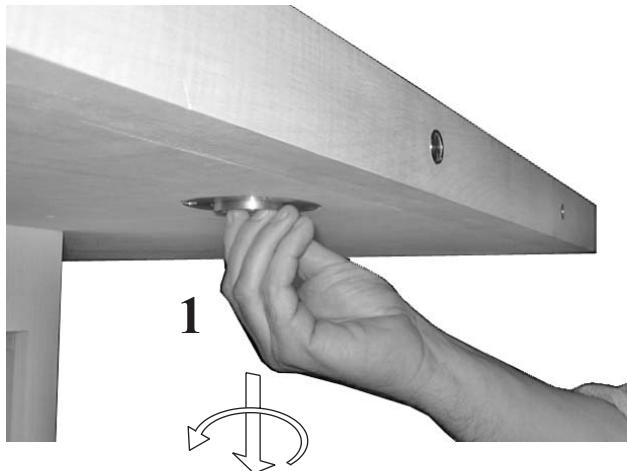

- Viti con testa piana 6MAX25
- Flathead screws 6MAX25
- Flachkopfschraube 6MAX25
- Vis à tête plate 6Max25

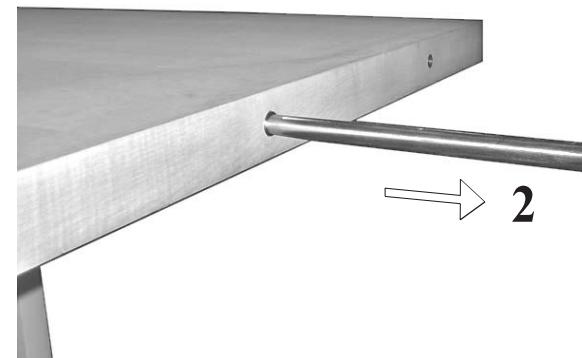

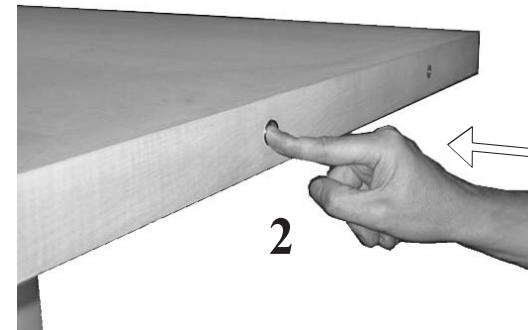

2

- Fissare il piano stringendo le apposite viti (A)
- Place the top and tighten it with the screws included (A)
- Die Platte mit den beigefügten Schrauben befestigen (A)
- Fixer le plateau avec les vis incluses (A)

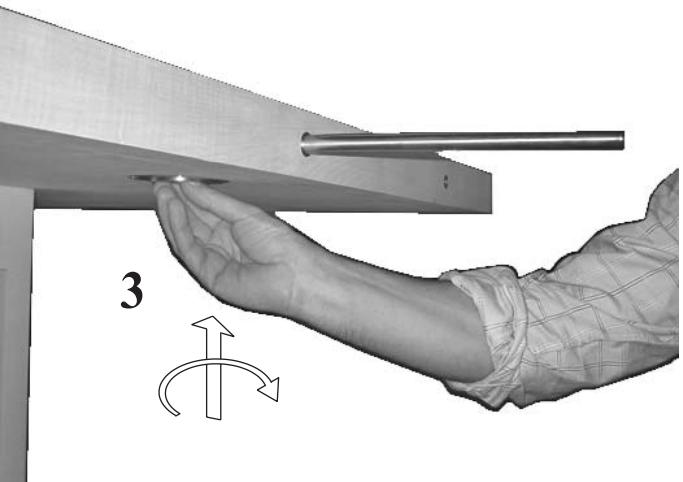

TAVOLO ALLUNGABILE "IVI" COD. 51885 - ISTRUZIONI PER L'USO
TABLE WITH EXTENSION "IVI" ITEM NR. 51885 - INSTRUCTIONS FOR USE
TISCH MIT VERLÄNGERUNG "IVI" ART. NR. 51885 - GEBRAUCHSANWEISUNGEN
TABLE A RALLONGES "IVI" COD. 51885 - INSTRUCTIONS POUR L'UTILISATION

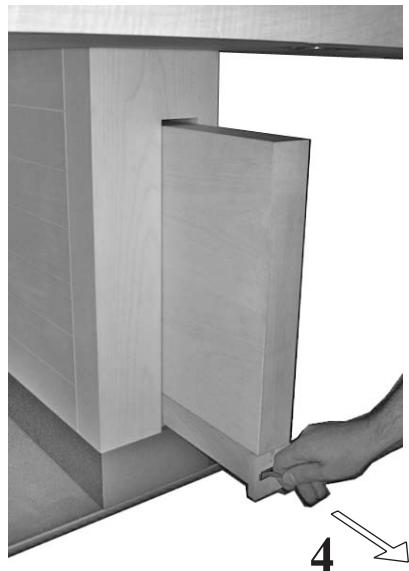

- 1** – Allentare il blocco sotto al piano del tavolo
– Untighten the block under the table top
– Die Blockierung unter der Tischplatte lockern
– Desserrer le bloquage sous le plateau de la table

- 2** – Premere il perno sul fianco del piano ed estrarre completamente il perno
– Push the bar on the table side and pull it out completely
– Die Leiste auf der Plattenseite drücken und vollkommen ausziehen
– Pousser la barre sur le côté du plateau et l'extraire complètement

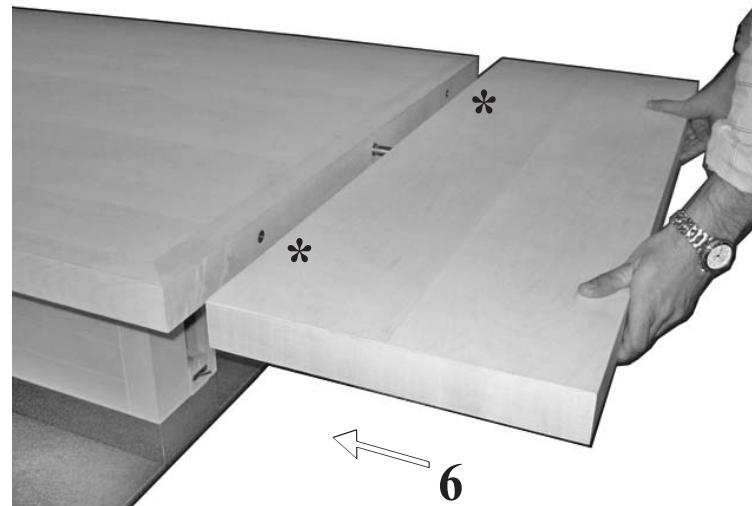

- 3** – Bloccare il perno stringendo il blocco sotto al piano
– Block the bar by tightening the block under the top
– Die Leiste blockieren, indem die Blockierung unter der Platte befestigt wird
– Bloquer la barre en serrant le blocage sous le plateau

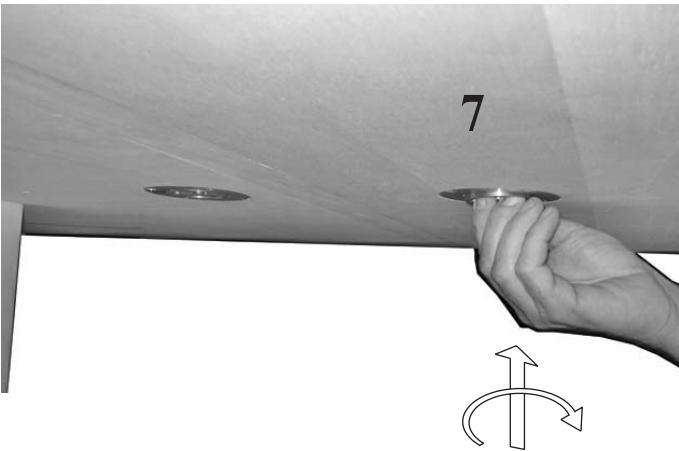

- 4** – Estrarre l'allungo tirando lo scorrevole sulla colonna del tavolo
– Take out the leaf by pulling out the runner in the table column
– Die Laufschiene in der Tischsäule ziehen und die Verlängerung ausziehen
– Tirer la glissière dans la colonne de la table et extraire la rallonge

- 5** – Allentare il blocco sull'allungo
– Untighten the block in the leaf
– Die Blockierung der Verlängerung lockern
– Desserrer le blocage dans la rallonge

- 6** – Infilare completamente l'allungo sul perno centrando i due spinotti (*)
– Insert the bar completely into the leaf and centre both pins (*)
– Die Verlängerung in die Metalleisten vollkommen einsetzen (*)
– Insérer complètement la rallonge dans les barres (*)

7

- Stringere il blocco sull'allungo
- Tighten the block in the leaf
- Die Blockierung auf der Verlängerung befestigen
- Serrer le blocage dans la rallonge

- 8**
- Eseguire le stesse operazioni su entrambi le prolunghe. Per smontare l'allungo eseguire le operazioni in maniera inversa e riporre le prolunghe all'interno della colonna
 - Repeat the instructions on both leaves. In order to remove the leaves follow the instructions in the inverse sequence and store the leaves inside the column
 - Auf beiden Verlängerungen die gleiche Operation durchführen. Für die Demontage der Verlängerung die Operation umgekehrt durchführen und die Verlängerungen wieder in die Säule legen
 - Suivre la même procédure sur les deux rallonges. Pour démonter les rallonges suivre les instructions dans la séquence inversée et insérer les rallonges dans la colonne

8

- ***
- ATTENZIONE!!: Prima di infilare la prolunga nella colonna del tavolo assicurarsi che il blocco sia avvitato completamente
 - CAUTION!!: Before inserting the leaf in the table column make sure that the block is completely tightened
 - ACHTUNG!!: Bevor die Verlängerungen wieder in die Tischsäule gelegt werden, muß die Blockierung vollkommen befestigt sein
 - ATTENTION!!: avant d'insérer la rallonge dans la colonne de la table le blocage doit être vissé complètement
