Barovier&Toso  
2007

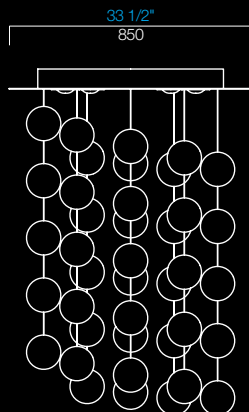

Serie di plafoniere/lampadario composte da una cascata di sfere lavorate "a corteccia" e tagliate a mano, sulle quali si riflette la luce dei faretti alogeni - fino a 9 - incassati nel supporto cromato, creando suggestivi effetti di illuminazione. Sono disponibili tre misure, ciascuna in due altezze, per un totale di sei modelli.

A series of chandelier/ceiling lamps composed of a cascade of spheres crafted with a "bark-like" effect and hand-cut, on which the light of the halogen downlighters - up to 9, boxed into the chromed support - is reflected, creating attractive lighting effects. Three sizes are available, each in two heights, making a total of six models.
