

Domo Maryland

Franco Raggi
2007

I bracci del lampadario Maryland, senza gravitare attorno al centro, si dispongono in orizzontale, a formare una prospettiva di paralumi bianchi o neri. Disponibile in due misure con 8 oppure 12 luci, ha parti metalliche cromate e componenti elettriche trasparenti. L'altezza è regolabile.

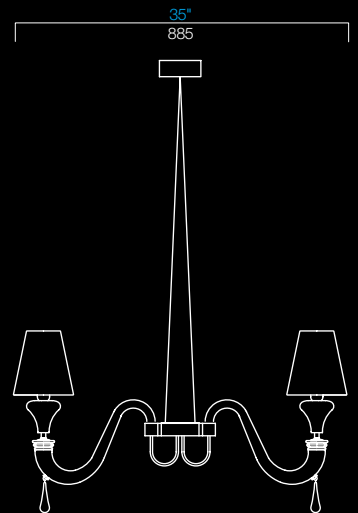

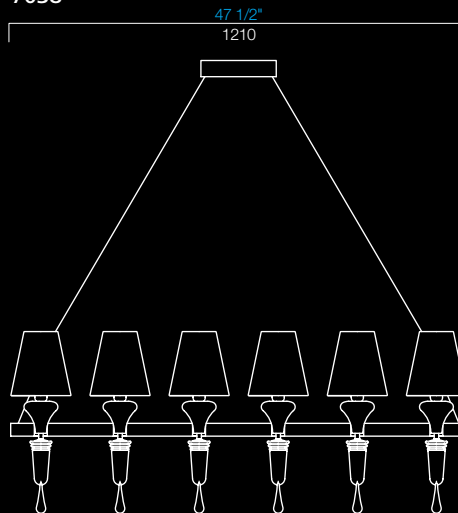

The arms of the Maryland chandelier, without gravitating around the centre, are arranged horizontally, to form a perspective of white or black lampshades. Available in two sizes, with 8 or 12 lights, it has chromed metal parts and transparent electrical components. The height is adjustable.
