

New Basic 1

Franco Raggi
2001/2007

Diffusore in vetro tronconico in bianco lattimo, perlaceo o nero, "decorato" da una serie regolare di molature eseguite a mano. Disponibile nelle versioni: tavolo, terra, sospensione. Base e parti metalliche cromate e spazzolate. Componenti elettriche in materiale plastico trasparente.

Strong, elemental lines. Black, green, milk-white or black glass shade, with a pattern of hand-executed ornamentation. Supplied either as floor, table or ceiling lights. Chrome-finish or brushed metal base; electrical parts in eye-catching clear plastic.
