Nato a Londra nel 1959, si laurea al Royal College of Art e apre il suo primo studio nel 1986. Subito dopo inizia la lunga e interessante collaborazione che lo lega a Cappellini; oggi lavora fra Londra e Parigi per importanti nomi come Alessi, Flos, Rowenta, Sony e Samsung. Ogni suo progetto ha un'eleganza minimalista che lo rende estremamente moderno pur essendo una sorta di archetipo essenziale legato al passato, antepoendo sempre la funzione all'espressione.

Born in London in 1959, he graduated at the Royal College of Art and established his first design office in 1986. Immediately after this, he began his lasting and useful cooperation with Cappellini; nowadays, he works in London and in Paris for high level companies such as Alessi, Flos, Rowenta, Sony and Samsung. Each Morrison's project has a minimal elegance which makes it strongly modern, a sort of archetype linked to past, favouring function on expression.
